

# MATERIAL SAFE DATA SHEET

## 1 Product and company identification

Trade name : Mulsibond Sealer

Company : AGE INDUSTRIES & TRADING SDN BHD

No. 67, Jalan 30A/119,

Taman Taynton View,

56000 Kuala Lumpur.

Telephone no.: 60 3 9130 7563

Use : The product is intended for use in the building and construction industry and should be used only by trained personnel.

## 2 Composition

The product is based on aqueous polymer dispersions and other additives.

## 3 Hazard information

Essentially non hazardous.

The product may be mildly irritating to eyes and skin.

## 4 First aid measures

<b>Skin contact</b>	Wash off with plenty of soap and water. Do not use organic solvents. Seek medical advice if irritation persists.
<b>Eye contact</b>	Rinse with plenty of clean water. Seek medical advice if irritation persists.
<b>Inhalation</b>	Move affected person to fresh air.
<b>Ingestion</b>	There is no serious hazard. Rinse mouth with water. If swallowing has occurred the affected person should drink plenty of water. Seek medical advice.

## 5 Fire fighting measures

The wet products will not burn. Dried films are combustible. Water, foam, carbon dioxide or dry powder extinguishers are all suitable.

### Exposure hazards

Do not release chemically contaminated water into drains, soil or surface water. Sufficient measures must be taken to retain water used for extinguishing. Dispose of contaminated water and soil according to local regulations.

## 6 Accidental release measures

### Personal precautions

Avoid contact with skin, eyes and clothing.

### Environmental precautions

Prevent contamination of soil, drains and surface water.

### Methods for cleaning

Take up with absorbent, dry inert material (e.g. sand) and place in a suitable and closable container for disposal according to local regulations.

## 7 Handling and storage

### Handling

The product should be handled in accordance with good industrial safety and hygiene practices.

### Storage

Store in original undamaged containers securely closed. Store at room temperature away from direct sunlight. Protect from frost.

## 8 Exposure controls/personal protection

### Technical protective measures

No special measures required.

### Exposure limits

None

### Respiratory protection

Not normally necessary. Work in well ventilated area.

### Hand protection

Wear suitable gloves.

### Eye protection

Wear suitable goggles or face protection.

### Skin protection

Wear overalls.

## 9 Physical and chemical properties

Appearance: Milky white liquid.

Odour: slight characteristic of the particular product.

## 10 Stability and reactivity

The product is stable under normal conditions of use.

## **11 Toxicological information**

Long term experience of handling these types of products based on aqueous polymer dispersions under industrial conditions indicates the absence of any chronic or acute effects.

## **12 Ecological information**

The product is totally miscible with water. Prevent contamination of soil, drains or surface water. No other specific information available.

## **13 Disposal considerations**

The product is not classified as hazardous waste but residues should not be discharged to drains without prior consent. Existing local regulations must always be complied with.

## **14 Transport information**

The product is not classified as hazardous for transportation.

## **15 Regulatory information**

EC Hazard Classification: none.

## **16 Other information**

None

**DISCLAIMER OF LIABILITY** The information in this Material Safety Data Sheet was obtained from sources which we believe are reliable. However, the information is provided without any warranty, express or implied, regarding its correctness. The conditions or methods of handling, storage, use or disposal of the product are beyond our control and may be beyond our knowledge. For this and other reasons, we do not assume responsibility and expressly disclaim liability for loss, damage or expense arising out of or in any way connected with the handling, storage, use or disposal of the product. This Material Safety Data Sheet was prepared and is to be used only for this product. If the product is used as a component in another product, this Material Safety Data Sheet information may not be applicable.
